

HEALTH AND SAFETY CODE

SECTION 2000-2007

2000. This chapter shall be known and may be cited as the Mosquito Abatement and Vector Control District Law.

2001. (a) The Legislature finds and declares all of the following:

(1) California's climate and topography support a wide diversity of biological organisms.

(2) Most of these organisms are beneficial, but some are vectors of human disease pathogens or directly cause other human diseases such as hypersensitivity, envenomization, and secondary infections.

(3) Some of these diseases, such as mosquito-borne viral encephalitis, can be fatal, especially in children and older individuals.

(4) California's connections to the wider national and international economies increase the transport of vectors and pathogens.

(5) Invasions of the United States by vectors such as the Asian tiger mosquito and by pathogens such as the West Nile virus underscore the vulnerability of humans to uncontrolled vectors and pathogens.

(b) The Legislature further finds and declares:

(1) Individual protection against the vector-borne diseases is only partially effective.

(2) Adequate protection of human health against vector-borne diseases is best achieved by organized public programs.

(3) The protection of Californians and their communities against the discomforts and economic effects of vector-borne diseases is an essential public service that is vital to public health, safety, and welfare.

(4) Since 1915, mosquito abatement and vector control districts have protected Californians and their communities against the threats of vector-borne diseases.

(c) In enacting this chapter, it is the intent of the Legislature to create and continue a broad statutory authority for a class of special districts with the power to conduct effective programs for the surveillance, prevention, abatement, and control of mosquitoes and other vectors.

(d) It is also the intent of the Legislature that mosquito abatement and vector control districts cooperate with other public agencies to protect the public health, safety, and welfare. Further, the Legislature encourages local communities and local officials to adapt the powers and procedures provided by this chapter to meet the diversity of their own local circumstances and responsibilities.

2002. As used in this chapter:

(a) "Abate" means to put an end to a public nuisance, or to reduce the degree or the intensity of a public nuisance.

(b) "Board of trustees" means the legislative body of a district.

(c) "City" means any city, whether general law or chartered, including a city and county, and including any city the name of which includes the word "town."

(d) "Control" means to prevent or reduce vectors.

(e) "Department" means the State Department of Health Services.

(f) "District" means any mosquito abatement and vector control district created pursuant to this chapter or any of its statutory predecessors.

(g) "Principal county" means the county having all or the greater portion of the entire assessed value, as shown on the last equalized assessment roll of the county or counties, of all taxable property within a district at the time of formation.

(h) "Property" means land and improvements, and includes water.

(i) "Public agency" means any state agency, board, or commission, including the California State University and the University of California, any county, city and county, city, regional agency, school district, special district, redevelopment agency, or other political subdivision.

(j) "Public nuisance" means any of the following:

(1) Any property, excluding water, that has been artificially altered from its natural condition so that it now supports the

development, attraction, or harborage of vectors. The presence of vectors in their developmental stages on a property is prima facie evidence that the property is a public nuisance.

(2) Any water that is a breeding place for vectors. The presence of vectors in their developmental stages in the water is prima facie evidence that the water is a public nuisance.

(3) Any activity that supports the development, attraction, or harborage of vectors, or that facilitates the introduction or spread of vectors.

(k) "Vector" means any animal capable of transmitting the causative agent of human disease or capable of producing human discomfort or injury, including, but not limited to, mosquitoes, flies, mites, ticks, other arthropods, and rodents and other vertebrates.

(l) "Voter" means a voter as defined by Section 359 of the Elections Code.

2003. (a) This chapter provides the authority for the organization and powers of mosquito abatement and vector control districts. (b) Any mosquito abatement and vector control district formed pursuant to the former Chapter 5 (commencing with Section 2200) or any of its statutory predecessors that was in existence on January 1, 2003, shall remain in existence as if it had been organized pursuant to this chapter. Any zone of a mosquito abatement and vector control district formed pursuant to former Section 2291 to former Section 2291.4, inclusive, and any of their statutory predecessors that was in existence on January 1, 2003, shall remain in existence as if it had been formed pursuant to this chapter.

(c) Any indebtedness, special tax, benefit assessment, fee, election, ordinance, resolution, regulation, rule, or any other action of a district taken pursuant to the former Chapter 5 (commencing with Section 2200) or any of its statutory predecessors that was taken before January 1, 2003, shall not be voided solely because of any error, omission, informality, misnomer, or failure to comply strictly with this chapter.

2004. This chapter is necessary to protect the public health, safety, and welfare, and shall be liberally construed to effectuate its purposes.

2005. If any provision of this chapter or the application of any provision of this chapter in any circumstance or to any person, city, county, special district, school district, the state, or any agency or subdivision of the state, including the California State University and the University of California, is held invalid, that invalidity shall not affect other provisions or applications of this chapter that can be given effect without the invalid provision or application of the invalid provision, and to this end the provisions of this chapter are severable.

2006. (a) Any action to determine the validity of either the organization, or any action, of a district shall be brought pursuant to Chapter 9 (commencing with Section 860) of Title 10 of Part 2 of the Code of Civil Procedure.

Territory that is already within a mosquito abatement and vector control district formed pursuant to this chapter may not be included within another mosquito abatement and vector control district.

(b) Except as otherwise provided in this chapter, the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000, Division 3 (commencing with Section 56000) of Title 5 of the Government Code, shall govern any change of organization or

reorganization of a district. In the case of any conflict between that division and this chapter, the provisions of this chapter shall prevail.

(c) A district shall be deemed an "independent special district," as defined by Section 56044 of the Government Code.

HEALTH AND SAFETY CODE

SECTION 2020-2030

(6) Inform the owner of the property that before complying with the requirements of the notice, the owner may appear at a hearing of the board of trustees at a time and place stated in the notice.

(c) The board of trustees shall cause the notice required by subdivision (a) to be served on the owner of the property in the same manner as a summons in a civil action. If, after a diligent search, the notice cannot be served on the owner of the property, the board of trustees shall cause the notice to be posted in a conspicuous place on the property for not less than 10 days before the hearing. Not less than 10 days before the hearing, the board of trustees shall also cause a copy of the notice to be mailed by certified mail to the owner of the property at the address shown on the most recent assessment roll of the county in which the property is located.

(d) At the hearing before the board of trustees at the time and place stated in the notice, the board of trustees shall accept written and oral testimony from the property owner and other persons. At the close of the hearing, the board of trustees shall find, based on substantial evidence in the record, whether a public nuisance exists on the property. If the board of trustees finds that a public nuisance exists, the board of trustees shall order the owner of the property to abate the public nuisance and to take other necessary actions to prevent the recurrence of the public nuisance. The board of trustees shall specify a reasonable time by which the owner of the property shall comply with these requirements.

(e) If the owner of the property does not abate the public nuisance and take the necessary actions to prevent the recurrence of the public nuisance within the time specified by the board of trustees, the district may abate the public nuisance and take the necessary actions to prevent the recurrence of the public nuisance. In addition, the board of trustees may impose civil penalties pursuant to Section 2063.

2062. (a) A board of trustees shall not declare an agricultural operation to be a public nuisance because of the presence of immature flies if the board determines that the agricultural operation is

designed and managed consistent with the accepted standards and practices for controlling fly development on similar agricultural operations.

(b) As used in this section, "accepted standards and practices" means those standards and practices determined by the University of California Cooperative Extension, the department, or local public health agencies. These standards and practices include, but are not limited to, all of the following:

(1) Property design and layout of the agricultural operation to minimize the opportunity for fly development.

(2) A comprehensive system for manure management to include storage, removal, and disposal.

(3) A comprehensive system for green waste management to include storage, removal, and disposal.

(4) An integrated pest management program to control the development and harborage of flies, including the components of surveillance, management, containment, and control.

2063. In addition to abating the public nuisance and taking any necessary actions to prevent the recurrence of the public nuisance, a board of trustees may impose a civil penalty on the owner of the property for failure to comply with the requirements of Section 2061. The civil penalty may not exceed one thousand dollars (\$1,000) per day for each day that the owner of the property fails to comply with the district's requirements.

2064. A board of trustees may consider any recurrence of a public nuisance abated pursuant to Section 2061 to be a continuation of the original public nuisance.

2065. (a) The owner of the property abated pursuant to Section 2061 shall pay the district for the cost of abating the public nuisance and the cost of any necessary actions to prevent the recurrence of the public nuisance. The owner shall also pay any civil penalty imposed pursuant to Section 2063.

(b) If the owner of the property fails to pay the district's costs within 60 days, the board of trustees may order the costs and any civil penalties charged and collected against the property. The charge shall be collected at the same time and in the same manner as ordinary county taxes are collected, and shall be subject to the same penalties and the same procedure and sale in case of delinquency as are provided for ordinary county taxes. All laws applicable to the levy, collection, and enforcement of county taxes are applicable to the costs and civil penalties charged and collected against the property.

(c) If the board of trustees charges the costs and any civil penalties against the parcel, the board of trustees may also cause the notice of abatement lien to be recorded. The notice shall, at a minimum, identify the record owner of the property, set forth the last known address of the record owner, set forth the date upon which the abatement of the public nuisance was ordered by the board of trustees, set forth the date upon which the abatement and any necessary actions to prevent the recurrence of the public nuisance was complete, and include a description of the real property subject to the lien and the amount of the cost and any civil penalties.

(d) However, if the board of trustees does not cause the recordation of a notice of abatement lien pursuant to subdivision (c), and any real property to which the costs and any civil penalties relate has been transferred or conveyed to a bona fide purchaser for value, or a lien on a bona fide encumbrancer for value has been created and attaches to that property, prior to the date on which the first installment of county taxes would become delinquent, then the cost and any civil penalties may not result in a lien against that real property but shall be transferred to the unsecured roll for collection.

(e) Recordation of a notice of abatement lien pursuant to subdivision (c) shall have the same effect as recordation of an abstract of a money judgment recorded pursuant to Article 2 (commencing with Section 697.310) of Chapter 2 of Division 2 of Title 9 of Part 2 of the Code of Civil Procedure. The lien created shall have the same priority as a judgment lien on real property and shall continue in effect until released. Upon order of the board of trustees, an abatement lien created under this section may be released or subordinated in the same manner as a judgment lien on

real property may be released or subordinated.

2066. The lien provisions of this article shall not apply to property owned by a public agency. Notwithstanding Section 6103 of the Government Code or any other provision of law, a public agency shall pay the district for the cost of abating the public nuisance, the cost of any necessary actions to prevent the recurrence of the public nuisance, and any civil penalties.

2067. Any money collected by a county from a lien authorized pursuant to this article, other than the amounts authorized pursuant to Section 29304 of the Government Code, shall be paid to the district.

HEALTH AND SAFETY CODE

SECTION 2070-2079

2070. (a) On or before August 1 of each year, the board of trustees shall adopt a final budget, which shall conform to the accounting and budgeting procedures for special districts contained in Subchapter 3 (commencing with Section 1031.1) of, and Article 1 (commencing with Section 1121) of Subchapter 4 of Division 2 of Title 2 of the California Code of Regulations. The board of trustees may divide the annual budget into categories, including, but not limited to:

- (1) Maintenance and operation.
- (2) Employee compensation.
- (3) Capital outlay.
- (4) Interest and redemption for indebtedness.
- (5) Restricted reserve for public health emergencies.
- (6) Restricted reserve for capital and asset preservation.
- (7) Restricted reserve for contingencies.
- (8) Unallocated general reserve.

(b) The board of trustees shall forward a copy of the final budget to the auditor of each county in which the district is located.

2071. (a) In its annual budget, the board of trustees may establish one or more restricted reserves. When the board of trustees establishes a restricted reserve, it shall declare the exclusive purposes for which the funds in the reserve may be spent. The funds in the restricted reserve shall be spent only for the exclusive purposes for which the board of trustees established the restricted reserve. The reserves shall be maintained according to generally accepted accounting principles.

(b) Any time after the establishment of a restricted reserve, the board of trustees may transfer any funds to that restricted reserve.

(c) Notwithstanding any other provision of this section, in a public health emergency, a board of trustees may, by majority vote of the total membership of the board of trustees, temporarily transfer funds from other restricted reserves to the restricted reserve for public health emergencies.

(d) If the board of trustees finds that the funds in a restricted reserve are no longer required for the purpose for which the restricted reserve was established, the board of trustees may, by a four-fifths vote of the total membership of the board of trustees, discontinue the restricted reserve or transfer the funds that are no longer required from the restricted reserve to the district's general fund.

2072. (a) On or before July 1 of each year, the board of trustees shall adopt a resolution establishing its appropriations limit and make other necessary determinations for the following fiscal year pursuant to Article XIII B of the California Constitution and Division 9 (commencing with Section 7900) of the Government Code.

(b) Pursuant to subdivision (c) of Section 9 of Article XIII B of the California Constitution, this section shall not apply to a district which existed on January 1, 1978, and that did not as of the 1977-78 fiscal year levy an ad valorem tax on property in excess of twelve and one-half cents (\$.125) per one hundred dollars (\$100) of assessed value.

2073. The auditor of each county in which a district is located shall allocate to the district its share of property tax revenue pursuant to Chapter 6 (commencing with Section 95) of Part 0.5 of Division 1 of the Revenue and Taxation Code.

2074. (a) A district may accept any revenue, money, grants, goods, or services from any federal, state, regional, or local agency or from any person for any lawful purpose of the district.

(b) In addition to any other existing authority, a district may borrow money and incur indebtedness pursuant to Article 7 (commencing

with Section 53820), Article 7.4 (commencing with Section 53835), Article 7.5 (commencing with Section 53840), Article 7.6 (commencing with Section 53850), and Article 7.7 (commencing with Section 53859) of Chapter 4 of Part 1 of Division 2 of Title 5 of the Government Code.

2075. All claims for money or damages against a district are governed by Part 3 (commencing with Section 900) and Part 4 (commencing with Section 940) of Division 3.6 of Title 1 of the Government Code.

2076. (a) All claims against a district shall be audited, allowed, and paid by the board of trustees by warrants drawn on the county treasurer.

(b) As an alternative to subdivision (a), the board of trustees may instruct the county treasurer to audit, allow, and draw his or her warrant on the county treasury for all legal claims presented to him or her and authorized by the board of trustees.

(c) The county treasurer shall pay the warrants in the order in which they are presented.

(d) If a warrant is presented for payment and the county treasurer cannot pay it for want of funds in the account on which it is drawn, the treasurer shall endorse the warrant, "NOT PAID BECAUSE OF INSUFFICIENT FUNDS" and sign his or her name and the date and time the warrant was presented. From that time until it is paid, the warrant bears interest at the maximum rate permitted pursuant to Article 7 (commencing with Section 53530) of Chapter 3 of Part 1 of Division 2 of Title 5 of the Government Code.

2077. (a) Notwithstanding Section 2076, a district that has total annual revenues greater than two hundred fifty thousand dollars (\$250,000) may withdraw its funds from the control of the county treasurer pursuant to this section.

(b) The board of trustees shall adopt a resolution that does each of the following:

(1) States its intent to withdraw its funds from the county treasury.

(2) Adopt a procedure for the appointment of a district treasurer. The board of trustees may appoint the district treasurer, or the board of trustees may delegate the appointment of the district treasurer to the district's general manager. The district treasurer may be a member of the board of trustees, the secretary of the board of trustees, the general manager, or a district employee.

(3) Fix the amount of the bond for the district treasurer and other district employees who will be responsible for handling the district's finances.

(4) Adopt a system of accounting and auditing that shall completely and at all times show the district's financial condition. The system of accounting and auditing shall adhere to generally accepted accounting principles.

(5) Adopt a procedure for drawing and signing warrants, provided that the procedure adheres to generally accepted accounting principles. The procedure shall provide that bond principal and salaries shall be paid when due. The procedure may provide that warrants to pay claims and demands need not be approved by the board of trustees before payment if the district treasurer determines that the claims and demands conform to the district's approved budget.

(6) Designate a bank or a savings and loan association as the depository of the district's funds. A bank or savings and loan association may act as a depository, paying agent, or fiscal agency for the holding or handling of the district's funds, notwithstanding the fact that a member of the board of trustees whose funds are on deposit in that bank or savings and loan association is an officer, employee, or stockholder of that bank or savings and loan association, or of a holding company that owns any of the stock of that bank or savings and loan association.

(c) The board of trustees and the board of supervisors of the principal county shall determine a mutually acceptable date for the withdrawal of the district's funds from the county treasury, not to exceed 15 months from the date on which the board of trustees adopts its resolution.

(d) In implementing this section, the district shall comply with Article 1 (commencing with Section 53600) and Article 2 (commencing with Section 53630) of Chapter 4 of Part 1 of Division 2 of Title 5 of the Government Code. Nothing in this section shall preclude the district treasurer from depositing the district's funds in the county

treasury of the principal county or the State Treasury pursuant to Article 11 (commencing with Section 16429.1) of Chapter 2 of Part 2 of Division 4 of Title 2 of the Government Code.

(e) The district treasurer shall make annual or more frequent written reports to the board of trustees, as the board of trustees shall determine, regarding the receipts and disbursements and balances in the accounts controlled by the district treasurer. The district treasurer shall sign the reports and file them with the secretary.

2078. The board of trustees may establish a revolving fund pursuant to Article 15 (commencing with Section 53950) of Chapter 4 of Part 1 of Division 2 of Title 5 of the Government Code to make change and pay small bills directly.

2079. (a) The board of trustees shall provide for regular audits of the district's accounts and records pursuant to Section 26909 of the Government Code.

(b) The board of trustees shall provide for the annual financial reports to the Controller pursuant to Article 9 (commencing with Section 53890) of Chapter 4 of Part 1 of Division 2 of Title 5 of the Government Code.

HEALTH AND SAFETY CODE

SECTION 2080-2085

2080. Whenever a board of trustees determines that the amount of revenues available to the district or any of its zones is inadequate to meet the costs of providing facilities, programs, projects, and services, the board of trustees may raise revenues pursuant to this article or any other provision of law.

2081. A district may levy special taxes pursuant to:

(a) Article 3.5 (commencing with Section 50075) of Chapter 1 of Part 1 of Division 1 of Title 5 of the Government Code.

(b) The Mello-Roos Community Facilities Act of 1982, Chapter 2.5 (commencing with Section 53311) of Part 1 of Division 2 of Title 5 of the Government Code.

2082. (a) A district may levy special benefit assessments consistent with the requirements of Article XIII D of the California Constitution to finance vector control projects and programs.

(b) Before beginning a vector control project or program proposed to be financed pursuant to this section, the board of trustees shall adopt a resolution that does all of the following:

(1) Specifies its intent to undertake the project or program.

(2) Generally describes the project or program.

(3) Estimates the cost of the project or program.

(4) Estimates the duration of the proposed special benefit assessment.

(c) After adopting its resolution pursuant to subdivision (b), the board of trustees shall proceed pursuant to Section 53753 of the Government Code.

(d) The special benefit assessments levied pursuant to this section shall be collected at the same time and in the same manner as county taxes. The county may deduct an amount not to exceed its actual costs incurred for collecting the special benefit assessments before remitting the balance to the district. The special benefit assessments shall be a lien on all the property benefited. Liens for the assessments shall be of the same force and effect as liens for property taxes, and their collection may be enforced by the same means as provided for the enforcement of liens for county taxes.

2083. A district may levy special benefit assessments consistent with the requirements of Article XIII D of the California Constitution to finance capital improvements, including, but not limited to, special benefit assessments levied pursuant to:

(a) The Improvement Act of 1911, Division 7 (commencing with Section 5000) of the Streets and Highways Code.

(b) The Improvement Bond Act of 1915, Division 10 (commencing with Section 8500) of the Streets and Highways Code.

(c) The Municipal Improvement Act of 1913, Division 12 (commencing with Section 10000) of the Streets and Highways Code.

(d) Any other statutory authorization enacted in the future.

2084. Pursuant to Section 5 of Article XIII D of the California Constitution and Section 53753.5 of the Government Code, any assessment existing on November 6, 1996, that was imposed exclusively to finance the capital costs or maintenance and operation expenses for vector control shall be exempt from the procedures and approval process set forth in Section 4 of Article XIII D of the California Constitution and Section 2082. Subsequent increases in those assessments shall be subject to the procedures and approval process set forth in Section 4 of Article XIII D of the California Constitution and Section 2082.

2085. (a) A board of trustees may charge a fee to cover the cost of

any service that the district provides or the cost of enforcing any regulation for which the fee is charged. No fee shall exceed the costs reasonably borne by the district in providing the service or enforcing the regulation for which the fee is charged.

(b) Before imposing or increasing any fee for property-related services, a board of trustees shall follow the procedures in Section 6 of Article XIII D of the California Constitution.

(c) Notwithstanding Section 6103 of the Government Code, a board of trustees may charge a fee authorized by this section to other public agencies.

(d) A board of trustees may charge residents or taxpayers of the district a fee authorized by this section which is less than the fee that it charges to nonresidents or nontaxpayers of the district.

(e) A board of trustees may authorize district employees to waive the payment, in whole or in part, of a fee authorized by this section when the board of trustees determines that the payment would not be in the public interest. Before authorizing any waiver, a board of trustees shall adopt a resolution that specifies the policies and procedures governing waivers.

HEALTH AND SAFETY CODE

SECTION 2090-2093

2090. (a) Whenever a board of trustees determines that it is in the public interest to provide different services, to provide different levels of service, or to raise additional revenue within specific areas of the district, it may form one or more zones pursuant to this article.

(b) The board of trustees shall initiate proceedings for the formation of a new zone by adopting a resolution that does all of the following:

(1) States that the proposal is made pursuant to this article.

(2) Sets forth a description of the boundaries of the territory to be included in the zone.

(3) States the different services, the different levels of service, or additional revenues which the zone will provide.

(4) Sets forth the methods by which those services or levels of service will be financed.

(5) States the reasons for forming the zone.

(6) Proposes a name or number for the zone.

(c) A proposal to form a new zone may also be initiated by a petition signed by not less than 10 percent of the registered voters residing within the proposed zone. The petition shall contain all of the matters required by subdivision (b).

(d) Upon the adoption of a resolution or the receipt of a valid petition, the board of trustees shall fix the date, time, and place for the public hearing on the formation of the zone. The board of trustees shall publish notice of the hearing, including the information required by subdivision (b), pursuant to Section 6061 of the Government Code in one or more newspapers of general circulation in the district. The board of trustees shall mail the notice at least 45 days before the date of the hearing to all owners of property within the proposed zone. The board of trustees shall post the notice in at least three public places within the territory of the proposed zone.

2091. (a) At the hearing, the board of trustees shall hear and consider any protests to the formation of a zone pursuant to this article. The board of trustees shall terminate the proceedings, if, at the conclusion of the hearing, it determines either of the following:

(1) More than 50 percent of the total number of voters residing within the proposed zone have filed written objections to the formation.

(2) Property owners who own more than 50 percent of the assessed value of all taxable property within the proposed zone have filed written objections to the formation. If the board of trustees determines that the written objections have been filed by 50 percent or less of those voters or property owners, then the board of trustees may proceed to form the zone.

(b) If the resolution or petition for formation of a zone proposes that the zone use special taxes, special benefit assessments, or fees for property-related services to finance its purposes, the board of trustees shall proceed according to law. If the voters or property owners do not approve those funding methods, the zone shall not be formed.

2092. (a) A board of trustees may change the boundaries of a zone or dissolve a zone by following the procedures in Sections 2090 and 2091.

(b) Except as provided in Section 56886 of the Government Code, a local agency formation commission shall have no power or duty to review and approve or disapprove a proposal to form a zone, a proposal to change the boundaries of a zone, or a proposal to dissolve a zone.

2093. (a) As determined by the board of trustees, a zone may provide any service at any level or levels within its boundaries that the district may provide.

(b) As determined by the board of trustees and pursuant to the

requirements of this chapter, a zone may exercise any fiscal powers within its boundaries that the district may exercise.

(c) Any special taxes, special benefit assessments, or fees which are intended solely for the support of services within a zone shall be levied, assessed, and charged within the boundaries of the zone.
